

Area Plan Information:

The Area Plan Viewer is a tool designed to provide information on county area plans in progress or proposed.

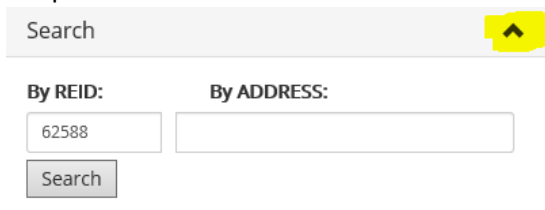

The user begins the session by zooming in and clicking on an area within the map. Once a location is selected, the response area, which is presented on the right-hand side of the screen, displays information relevant to the location selected. The responses are divided into several sections. The top section provides the Search tool for the selected location. The middle section provides Plan name and Land Use information for the precinct area. The lower sections provide other information that is available.

- Use the + and - buttons on the left to zoom in and out.
- Use the Full Extent button to return to the initial extent after zooming.
- Use the Clear button to remove all graphics and selections information.
- After the information is displayed you can zoom to the selected Plan Area by clicking the search icon :

- Northeast Area plan:

- If you navigate away from the selected REID, you can re-center the REID location by selecting the Re-Center button.
- At the bottom of the information area are two buttons to print the map or a report of all the data displayed.
- Search by REID or ADDRESS: Click the down Icon which will open the search box and change to an up icon.

A search interface with a search box containing the word 'Search' and a yellow dropdown arrow icon. Below the search box are two input fields: 'By REID:' with the value '62588' and 'By ADDRESS:' which is empty. A 'Search' button is located below the input fields.

- Enter your REID or ADDRESS and click the Search button.
- The app will zoom to your parcel.
- If you search by a partial address, you will get a drop down to select your address:

The image displays two side-by-side screenshots of a search interface. Both screenshots have a title bar labeled 'Search' with an upward-pointing arrow. The interface is divided into two sections: 'By REID:' and 'By ADDRESS:'. In the left screenshot, the 'By ADDRESS:' field contains the text '5205 N'. Below the search fields is a 'Search' button and a dropdown menu currently showing 'Select'. In the right screenshot, the 'By ADDRESS:' field contains the text '5205 NEAR CARRIAGE WOODS DR'. The dropdown menu now shows '5205 NEAR CARRIAGE WOODS DR' in blue text, indicating it is the selected option. A 'Close' button is visible to the right of the dropdown menu in both screenshots.

- Selection of the correct address will zoom to the parcel.
